About Us

The Jane Guido Foundation is a not-for-profit organization that believes in continuing Jane Guido's legacy of helping those in need of food, clothing, and life's basic necessities. It is our mission to feed the hungry, clothe the less fortunate, and support families and individuals that have fallen on hard times.

We strive to carry out her life's work by partnering with outreach organizations, food pantries, and other charitable organizations with the same goal of helping those in need.

The life and legacy of Jane Guido is the heart of the Jane Guido Foundation. It is our mission to continue her giving and her sacrifice to help those in need. It is our goal to ensure that no person within our reach goes hungry as long as we have the ability to feed them.
